February Guild Meeting – February 26, 2008 at the United Church at 7:00 p.m.

Katie Pasquini Masopust will present “The Art Quilt” at the Tuesday evening meeting. A compilation of the top quilmakers in the world, and their views and inspirations for their work. Having transformed her training and talent as a painter to painting with fabric, Katie will talk about her work, current trends, and accomplished artists with whom she has worked with as the President of the national organization of Studio Art Quilt Associates. Also a good sampling of her work and inspirations.

On Friday, February 29th and Saturday, March 1st Katie will give a two day workshop on “Creating Abstract Designs”. This workshop will show you how to start with an original photograph, line drawing or painting and create a departure from its reality. There are still seats available for the workshop, if you are interested in signing up or need more information for the workshop please call **Laura Erickson at 661-6855**. For more information on Katie and her work go to her website at <http://www.katiepm.com>.

Note: Remember we will also be discussing Show vs. Market and chairs for whichever is decided.
