September Guild Meeting  
Tuesday, 9-22, at **6 p.m.**  
At United Church, LA

## **Potluck dinner—bring a dish and a friend!! Sign up for the quilt show!!**

Special guest speaker—new innovations in embellishing your projects. Remember--the workshop from Heather Thomas will be on Monday, Sept. 21, the day before the guild meeting. Register with Pandy and get the supply list so you'll be prepared for all the wonderful innovations Heather has to show us. Come

and explore some of the wonderful products that can be used to embellish the surface of your quilts, dolls and fiber arts. You will make a small wall quilt as you learn to use fabric paints and rubber stamps, Angelina, Crystalina and Textiva, fabric foils and glitters, miniature glass bead and sequins and hot fix metals and crystals. For anyone who wants to pump up the volume of their art work!

## **A Message from our President!!**

Hello, everyone!

It is almost time for the QUILT SHOW - Yeah! Are you putting anything in? I am putting 3 items in and am so proud of one of the quilts as it has been a five-year journey to completion! I know that Judy and her chairs have a fun job getting to see all the quilts before we do. She also still needs some ladies to help - sell tickets, etc.

Another topic to discuss at the September meeting is one of officers and chairs for 2010. Please consider volunteering. Los Alamos Piecemakers is a great organization and I want to see it flourish again.

If you have some time and need a place to go - why not try Australia? It's easy, just sit down at your computer and type in [www.RedPepperQuilts.com](http://www.RedPepperQuilts.com). I have been following this blog for several months and it is a fun place to visit. And best of all, you don't even have to leave your computer! This is a blog about quilts and quilting - Enjoy!

I hope you have a great September and we'll see you at the Potluck meeting, September 22, 2009 at 6 pm (remember, 1 hour early)

Your President,  
Shelly

## **Quilt show update from Judy:**

QUILTS, we have some! Thank you! Thank you! Thank you!!!!

This September Guild meeting is a fun and important one. We need to pull everything together for the quilt show. This meeting promises to be great--pot luck-- means goooooood food, Heather means a great topic, great speaker, The Stellar Challenge means---pick your favorite. And of course volunteer your time for the quilt show.

The publicity is in place as are all the other committees so there is nothing else to say except --- You are all wonderful and I thank you for all you have done and all you are about to do. See you there!

Sincerely, Judy Verzino

## **Membership Packets:**

In October and November (after the quilt show), Libby Carlsten needs a few volunteers to help gather coupons, giveaways (and any other free goodies) for the 2010 membership packets. Our membership packets have gotten fairly thin over the past few years and she would really appreciate some help trying to "fatten" them up. Volunteers should be willing to make phone calls or write letters to quilt shops and/or manufacturers. Thanks much. See Libby or e-mail her if you're interested:

[carlstens@msn.com](mailto:carlstens@msn.com).

REMINDER: the LAP guild year was changed from September 1 thru August 31 to January 1 thru December 31. (Libby has received several calls from people who thought they'd missed the membership drive.) The membership forms will be included in the November newsletter. Everyone who paid their membership dues last year actually got four months for "free" because this is the transition year.

The 2010 membership forms can be turned in any time in November or December for the new membership year beginning January 1, 2010.
