January 2011 Guild Meeting: Tuesday, Jan. 25, 7 p.m. White Rock Baptist Church "Round Table of Techniques"

Our January meeting is on Tuesday, January 25, 2011, at 7:00 pm at the White Rock Baptist Church. It's all about skills and our program for January includes a little bit of everything. Sue Friar will demonstrate binding techniques both for new quilters and for those who want to brush up on a necessary task of creating our quilts. Evonne Holder will demonstrate a hand technique where you can embellish your quilt and quilt it at the same time -- what a time saver that would be! And yours truly will demonstrate the making of fabric-wrapped bowls. After our business meeting, we will split into three groups and spend 20 minutes at each demonstration. If you have any questions, please contact Jo Ann Painter, 672-1583, 490-3438, or jpainter@q.com.

Membership note: Everyone on last year's membership roster will receive this newsletter. If you haven't re-upped, it will be your last!! Be sure to renew your membership so you don't miss out on any of our exciting activities and workshops!

From Marilyn Minshall, Community Service chair:

The following persons have contributed quilts to community service since July 1st: Donna Smith, Beverly Wright-2, Micky Taylor, Judy Verzino-2, Irene Aiken, and Jackie Krohn Two quilts were sent to the Alzheimer's Study Quilt Project Team. Ten quilts were given to the The Sojourners, a day-time retreat for women and children. Four quilts were given to individuals.

Happy New Year from the President!

I hope all of you had a great Christmas Season and that 2011 is filled with good health and lots of time to work on your favorite hobby - QUILTING!

I'm looking forward to a wonderful year filled with lots of quilting and sharing.

The first meeting of the New Year is going to be fun. Come and learn or review some new (or old) techniques that will be demonstrated by some of our Quilt members.

MYSTERY QUILTS from 2010 -- Please bring them to share with the rest of us. **NO MATTER** what step your quilt is in. Thanks to Evonne Holder. She came up with a fun setting and great size. Remember, you can always add more borders to this quilt top and have a lap quilt. (If you didn't make this quilt as a Mystery Quilt, you still can make it by referring back to your Newsletters.) I'm looking forward to seeing all of your quilts. Thanks again, Evonne.

Mystery Quilt for 2011 will start in March. Debbie Claytor and Debbie McLin have been working hard on this year's Mystery Quilt. Can wait to get started!

Newsletter - this will be your last Newsletter if you have not paid your membership dues for 2011. **Membership Dues**- now is the time to be sure that your membership dues for 2011 are paid. Our year's membership runs from January to December. Don't miss any of the fun, join either by sending in your membership form and money OR at our January meeting.

Don't forget your "Show n' Tell." Bring a friend too!

See you at the meeting!

Fran

Future Fun for Piecemakers:

FEBRUARY 2011: Our program for February will be held on Tuesday, February 22, 2011, at 7:00 pm at the United Church of Los Alamos. A local resident, Laurie Waters, will share her extensive, world-wide collection of lace with us. She can also answer any questions you might have about lace in general or look at any lace you bring for her to comment on. If you have any questions, contact Margaret Hendricks.

MARCH 2011: Judy Neimeyer, a nationally-known lecturer and instructor specializing in foundation paper piecing, will be presenting a lecture and conducting a workshop for our March program. **PLEASE NOTE DATE CHANGE! Please note, however, that her lecture will be on our regular night, Tuesday, March 29, 2011, but her workshop will also be on Tuesday, March 29, 2011, from 9AM to 4PM, both at the White Rock Baptist Church.** We will be working as a group but you can choose from three patterns; Indian Summer, Three Ducks in a Row, or Wild Goose Chase. Check these out at Judy's website quiltworx.com. If you have any questions, contact Karyn Harrington.
